Program Classes

- ❖ Students consistently build a solid foundation for massage and bodywork **(Practice & Theory)** while **giving and receiving massage 2x/week!**
- ❖ Students will learn the amazing language spoken by the massage therapist and health related community.
 - ❖ Students take their massage skills to the next level, and the next level, treating common pathologies in the **Therapeutic Applications** class.
- ❖ Students work with friends and family to provide knowledge and education so that healing becomes second nature to the student therapist.
 - ❖ Students will study the **Systems of the Human Body** and **Musculoskeletal** structures to assist in the healing of fellow students, friends, family and clients in the **Student Clinic** Environment, while becoming a **Licensed Massage Therapist.**
- ❖ Students use a **Business Journal** which includes educational tools to create their own Vision for who they want to be, where they want to work and who they want as clients!
 - ❖ Community connections include **Job Placement and a Private Consultation with our Business Advisor.**
